Costs Less. Use Less.

These are two of the savings you make in baking with Chenoweth's Baking Powder. It costs less per pound and you get better results with a smaller quantity of it than of any other powder. The first saving (cost) is obtained because we make it ourselves and there's only one profit to pay, a small one at that. The second saving (less quantity) is due to the superior ingredients used in our powder and the fresh condition in which the powder reaches you. Try Chenoweth's Baking Powder next time and prove it.

Have always been subject to public investigation. We claim to handle the best Clothing, Furnishings, Hats, &c, that are made at prices that are just—even lower than some ask for the unreliable kind. We have always guaranteed each purchase. We will refund the money to all who may ask it. All sales are subject to home approval and comparison. We leave the decision in the hands of the customer, his friends or his family. To make a statement and then offer your own words as proof shows an uncertainty. An honest merchant does not have to proclaim his honesty from the housetops. We are a bit chesty over our handsome quarters and our growth, which was not consummated in dreams, and we think will be allowed by those who are in favor of progress and not envious of their neighbor's prosperity. The biggest and best assortment of men's and boys' merchandise in the city is open to all. To those who buy or to those who want to be posted please remember—THE BEST. Very respectfully,

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs-from distressing kidney ills--thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville, who so testified years ago, now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

A. W. McClanahan, of A. W. & B. P. Mc-Clanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can indorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me more or less for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that ! am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire. I got the remedy at J. Jas. Wood & Son's Drugstore.
